

DESCRIZIONE DELL'ANNUNCIO

Audio/Video Technician Specialist, Poissy Office (France)

N&C System Integrator, with the aim of strengthening the Team, is looking for new resources with at least 2/3 years of experience as Audio/Video Technician Specialist.

Who we are looking for:

We are looking for people who can bring their know-how into our Teams, through innovative ideas, putting our purpose -Innovation through Integration- at the center of every activity.

Technical Skills Required:

- At least 2/3 years' experience in audio/video room installation and configuration (monitors, cameras and audio systems);
- Proficiency in reading electrical and audio/video schematics;
- Knowledge of fixing and structured cabling;
- Familiarity with video communications systems and software applications;
- Good knowledge of equipment such as arrays, scalers, processors, transmitters, receivers, microphones, mixers, amplifiers, and other active, or passive, equipment from major vendors (Extron, Crestron, Samsung, Shure, Logitech, Barco, etc.);
- Setup and configuration of audiovisual instrumentation for events;
- Good Knowledge in using, and configuring, streaming software platforms (VMix, OBS, Social, etc.);
- Good Knowledge of Office Package;
- Basic knowledge of networking (basics of TCP/IP, and LAN, WAN concepts);
- Foreign languages required: English (B1), French (C1 or native), Italian (C1 or native).

Additional skills:

- Ability to work in a team, direct customer contact, and handle emergency situations during events;
- Aptitude for problem solving;
- Willingness to travel to assist customers (B driver's license).

What we offer:

- Employment contract with direct hiring in the Company;
- Salary, level and classification commensurate with experience;
- Working hours: full time.

INFORMATIVA:

È necessario l'invio del CV (aggiornato ed in italiano) con autorizzazione al trattamento dei dati personali. Non saranno prese in considerazione candidature prive di CV. La ricerca è rivolta a candidati di entrambi i sessi e i dati saranno conservati esclusivamente ai fini della presente o di future selezioni, garantendo i diritti di cui agli artt. 13 del Regolamento Europeo EU 679/2016. Qualora il CV sia di interesse i candidati saranno contattati per un primo colloquio via Webex.
